

ANNOUNCEMENT

Crawford Region Central & Eastern Europe

New Associate in AUSTRIA

Effective 1st August 2006 , CEE regional manager Walter Bartholomes has agreed a new partnership with Erst Panwinkler, the managing director of

PANWINKLER TECHNICAL CONSULTING GMBH

for the territory of AUSTRIA.

Ernst Panwinkler formed a group of experienced engineers and loss adjusters in 2005 and is a member of FUEDI and the Austrian Federation of Independent Loss Adjusters as well as a certified engineering company. His team is experienced to handle low and high end losses on property, liability and transport claims. He also offers claims management and valuation.

Beside Austria Panwinkler Technical Consulting GmbH can also offer their services in Czech Republic, Slovakia and Slovenia.

Assignments from the Crawford Group must be channeled with passport instruction via the regional manager of CEE
